

ASQ

(Analysis of Studying and Questions)

Analyze the type of questions missed or the points deducted for each type of question:

	Type of question included on the test?	Total Points or # of questions included	Points or # of questions missed
Matching			
True/False			
Fill-Ins			
Multiple Choice			
Short Answer			
Essay			

Which type of questions did you miss the most? _____

Review the test taking strategies for the types of questions you missed.

*

Now, analyze what you did to prepare for this question:

Question Missed:	Was it highlighted?	Was it in your notes?	Was it in the material you reviewed or recalled?

Did you do everything you could to do well on this test? Did you do your best? Just ASQ yourself and find out!
